Success Stories

My Name is Deepmala. I am 35 years old and I am Orthopedically Handicapped. I earlier lived in Pappankalan Phase-I but now I live in Rama Park near to Pappankalan. I got to know about ASRA through a survey. I got myself enrolled for the Stitching course at Pappankalan Phase I centre. There I got to know that ASRA was also working for People with disabilities (PwDs). ASRA helps PwDs to avail facilities like Disability Certificate, Railway Concession Certificate, Bus Pass, Pension, E- Card, AFO, KFO. Other than Stitching course, it also offers courses like Beauty Culture, Mobile repairing and Computer Course. I felt elated on learning this and now I spread the word around. I have successfully completed the stitching course and got an 'A' grade in the exam. This course has benefitted me a lot. Earlier I had to spend a hefty amount to get clothes stitched for me and my family. But now I myself do all the work and stitch clothes. I feel proud about this change in my life. The money that was earlier spent on stitching clothes is now saved for my children. Now people around also got to know about me and they come to get their clothes stitched. From the money I earn, my expenditure is taken care of. ASRA offered such an informative course at a nominal fee. This encourages us to move ahead in life. I sincerely thank ASRA for all the facilities they provided.

– Deepmala

My Name is Ram Bhajan. I live in Pappan Kalan, Phase III. I earlier lived in another State i.e. Uttar Pradesh. I was totally dependent on others. Few months back, I came to Delhi to visit my sister and brother-in-law. During my visit, I got the pleasure of meeting the Education Teacher of ASRA, Ms. Anju Ma'am. She told me about the facilities that I can avail from the Government. She also introduced me to Ms. Rizwana Ma'am-Rehab Worker of ASRA. Rizwana Ma'am took my relevant documents and proofs and applied for my disability certificate. I used to move by dragging my Limbs. Now I have received a Tricycle through a Camp. She also help me get the Pension, Rail Pass, E- Ticket Card, Bus Pass, etc. ASRA helped me to be independent. Now I have opened a shop on my Tricycle itself. I have a good earning. My lifestyle has improved a lot. I am grateful to ASRA organization. Earlier, I used to consider myself as a liability, but now I earn and help my family and village. I wish that the name of organizations like ASRA spreads, so that

people like me can be motivated, become independent and live a normal life like other people. – Ram Bhajan
