INSPECTION OF ASRA BY DEPARTMENT OF SOCIAL WELFARE FOR THE PURPOSE OF RENEWAL OF RIGHTS FOR PERSONS WITH DISABILITIES (RPWD) ACT, 2016

It is a statutory need of any voluntary non-government organization working in disability sector to apply, qualify & possess Certification under RPwD Act, 2016 under Government of India (GOI) Rules. ASRA had applied for this Certification in the year 2016 & had received the Certification from the GOI, valid upto 11th January 2022 (for six years). The procedure of issuance of this Certificate involves thorough inspection of the voluntary organization by Competent Authority of GOI.

Registration Certificate of ASRA under PwD Act, 1995 (now RPwD Act, 2016) valid upto 11.1.2022

Since, the renewal of this Certificate was due in January 2022, ASRA had written to the Competent Authority for renewal of Registration Certificate under RPwD Act, 2016 (earlier PwD Act, 1995) on 20th December, 2021. ASRA had also simultaneously applied for issuance of 'No Objection Certificate (NOC)' to seek approval from Rehabilitation Council of India (RCI) to get permission to introduce Diploma Course in Intellectual Disability & Behavior on 30th December 2021. RCI is a statutory body which regulate and monitor services given to persons with disability, to standardize syllabi and to maintain a Central Rehabilitation Register of all qualified professionals and personnel working in the field of Rehabilitation and Special Education. The Act also prescribes punitive action against unqualified persons delivering services to persons with disability. The Competent Authority for the said purpose is Delhi Social Welfare Board (DSWB). Hence, ASRA had submitted both the applications to DSWB.

A sudden inspection was conducted jointly by the DSWB together with the Department of Education on 10th February 2022. This joint inspection was conducted

- i. to evaluate ASRA for its validity for renewal of Registration Certificate under RPwD Act, 2016

- ii. to evaluate ASRA & see its eligibility & accordingly grant an NOC to introduce RCI approved Diploma Course in Intellectual Disability & Behavior.

It's a long procedure to get an NOC through DSWB to be able to qualify & then apply to RCI for getting permission to run above said course through ASRA. The web link of the said procedure is <http://www.rehabcouncil.nic.in/forms/Sublink1.aspx?lid=1195>.

STRATEGIC REVIEW FOR REVIVAL OF CBR PROGRAMS & HORIZONTAL EXPANSION

This has been a major challenge caused by COVID 19 pandemic. Hence, evaluation & review of each CBR Program as well as status of each PwD in the adopted slum communities of ASRA continued. This was aimed towards their reorganizing & restructuring.

REVIEW OF NEED STATUS OF BENEFICIARIES & REORGANIZING & RESTRUCTURING OF CBR PROGRAMS

- As a first step in this direction, each beneficiary enlisted / registered in the **MASTER LIST** of ASRA as on December 2021 (consisting of 5188 PwD beneficiaries) was contacted telephonically by a team constituted solely for this purpose at the Head Office.

ASRA team constituted of staff of Head Office & CBR Rehab Workers contacting PwD beneficiaries telephonically

- Out of these 5188 PwD beneficiaries, **1933 PwD beneficiaries emerged**, who responded to the call from Head Office, & they were shortlisted separately.
- The aim of this team at Head Office was to **revive, rejuvenate, reorganize & update** the need status of each beneficiary & then reflect as to how they can be meaningfully involved or engaged in one or the other program around them which was to be reorganized by ASRA.

Founder ASRA, Head Office Team and CBR Rehab Workers during a review meeting

- Many PwD beneficiaries during this telephonic contact stated that they were in urgent need of Government certification (Disability Certificate, Unique Disability ID card etc.) in order to **avail of Government facilities (Bus Pass, Disability Pension, Railway Concession etc.)**.

The Head Office simultaneously assigned the tasks around the needs of these beneficiaries through the **Rehab Workers**. They were rushed to collect the required documents from the PwD beneficiaries.

- On the basis of these tasks, the three **CBR Coordinators** prepared & submitted the details online to the concerned government authorities.

Some PwD beneficiaries came to ASRA Head Office and submitted their documents for online apply of Government facilities

- The **Seed Loan program** was evaluated & it came to the notice of the Review Committee that 124 PwD beneficiaries from 26 communities have been given Seed Loan till date. Out of these 124 beneficiaries, 52 PwD beneficiaries have fully returned their Seed Loan, 19 beneficiaries were yet to return their Seed Loan to ASRA & 53 PwD beneficiaries expired or migrated. Therefore, a detailed program of tasks of Rehab Workers was made to recover the Seed Loan. Covid-19 became a hurdle in the implementation & monitoring of this program.
- During this quarter under report, CBR Coordinators could mostly work from home on medical advice since they were suffering from long side affects of Corona. They themselves had suffered from Corona more than twice & were dealing with similar issues with their very young children & family members.
- Next step was that all the shortlisted revised beneficiaries were once again divided into **Educable, Trainable & Employable categories**.
- **Separate lists of CwDs** were prepared in each community so that the vaccinated children could once again start with their studies.
- ASRA had provided **sponsorship to 207 children from 28 communities** since August 2010. Consequent upon the opening of AIRTC, 13 of these children with disabilities were brought under the AIRTC roof. The total no. of children enrolled in AIRTC during the quarter under report was 46.

- **CBR EDUCATION CENTRES**

At the ground level, field work in ASRA's two adopted slum communities namely **Shiv Vihar & Dwarka Sec-16** was carried out particularly towards **restructuring & reorganizing Education program**. Steps were initiated towards identifying & enrolling interested vaccinated children with disabilities who were interested in continuing their studies under the Education program. The **Shiv Vihar Education Centre became functional** during the quarter under report with five CwDs & other non-disabled children.

- **CBR VOCATIONAL TRAINING PROGRAM IN CUTTING & TAILORING**

Need emerged from beneficiaries in Hoshiyarpur, NODIA to start the **Vocational Training Program in Cutting & Tailoring**. This was initiated in the newly rented room in **NOIDA Centre**. Also, a suitable needy person has been appointed as a teacher who has started conducting the classes from March 2022 onwards.

- **CBR VOCATIONAL TRAINING PROGRAM IN COMPUTER TRAINING**

- Integration of CBR Computer Teacher in ASRA Head Office**

The eligible students of the communities who were pursuing **computer training course** were motivated to join classes at ARTC. While the teacher, Ms. Asha, a person with disability who lived & taught in **Pappankalan community has been integrated in the ARTC Computer training** program. She would be expected to teach within the community once the younger children are vaccinated & can join the course.

- Computer Training at Hoshiyarpur Village, Noida**

Computer Training Centre at Hoshiyarpur, NOIDA was opened in December 2022 under ASRA CBR program. First batch of five students completed their course in March 2022. Subsequently, they appeared for an **examination on 23rd March 2022** which was conducted & monitored by Mr. Sanjay, Computer

Faculty from ASRA Head Office. **New batch** has been started with three new students and process of taking new admissions is in progress.

My name is Neha. I live in A-122 Pappankalan Community. I am associated with ASRA from the last seven years. I am physically handicapped since birth. The upper part of my right hand is not able to work, due to which I have to face many problems in doing my own work. Before associated with ASRA, we were not aware of any disability related Government facility. My mother ran a lot to get my disability certificate made but due to lack of information and guidance my certificate could not be generated.

When we come to know about ASRA organization, the ASRA workers guided us properly and helped us to get all the govt. facilities. I was the first to get the disability certificate with the help of ASRA, on the basis of which I am getting the other facilities like RCC, E-Ticket card, Bus Pass and disability Pension today.

My medical assessment was also done by ASRA medical team, under which I was also given free physiotherapy by ASRA. Hand splint was also given to me from ASRA for improving my hand condition.

For my studies, I was also given the sponsorship from ASRA, under which I was given my tuition fee every month. Due to amount of sponsorship given by ASRA, I studied from class 9th to class 12th without any hindrance.

ASRA helped us a lot in the time Lockdown under Corona pandemic. On the basis of request made by us, ASRA provided two times free ration to us which was a big support we get by ASRA side. ASRA helped me a lot to getting Corona Vaccination, for this I got free travel facility from ASRA side.

Recently I came to know about the disability camp organized at Rao Tula ram Hospital by ASRA in which I got my UDID card and renewed my Railway certificate too.

Every facility provided to me by ASRA is free of cost , for which I thanked all its members wholeheartedly.

My name is Sunita, I am Lucky's mother. When I got associated with ASRA, Lucky was 4 years old. Being physically handicapped since birth, Lucky could not sit on his own and this disability had become my biggest problem. It became very difficult for me to see the other 5 members in the family and take care of lucky. In 2009 the Education center was opened by ASRA in our Shiv Vihar community to teach children, under which I met ASRA for the first time. I explained ASRA'S member about my son Lucky's disability on my visit to ASRA education Centre. The members of ASRA not only listened to me symphathetically but also gave me disability related information. Under the information & Guidance received from ASRA today my son Lucky is getting all govt. facilities including Disability certificate, Railway Concession certificate, E-Ticket card & Disability pension

Lucky's medical assessment was also done by ASRA to get free Physiotherapy from ASRA'S Medical team. For making the mobility of Lucky, ASRA also provided wheelchair to him. Under the sponsorship programme of ASRA Lucky also received sponsorship for his studies and got admission in Braham Shakti Special School, under which all expenses of Lucky's studies were provided by ASRA.

Today Lucky has improved a lot by associating with ASRA. My whole family and I wholehearted thank to ASRA for providing the guidance/Help, to my son through whichhe is able to stand and to do all his work by own. Now, whenever I see any disable person, I tell him to visit ASRA to g et assistance free of cost.

Once again in coronatimes, ASRA helped us, on our requests they provided us Ration material twice and Education kits for Lucky. Side by side in order to run Lucky's education smoothly online classes were provided by ASRA during lockdown.

I and my family are very happy to get all facilities from ASRA and we all Thank ASRA that they have helped us so much. I am glad that I am associated with ASRA.
